Bahia and Santos with 30,000 sacks, are
piled high with coffee waiting for ships
to bring it to the United States.
"Coffee of the grade which sells for
60 cents a pound in New York," Capt.
Nascimento said, "is going begging in
Brazil at 10 cents, while coffee of the
highest grade is selling at 15 cents.

We Sell Dependable Merchandise at Prices Lower
Than Any Other Store, but for Cash Only.1,000 "Berkshire" Pigskin Bags
sale \$8.94 and \$14.74 sale

Are you one of the many who are
now planning vacations and week-
end trips? Are you one of the many
who would buy a bag, a bag of qual-
ity, not a cheap affair, but hesitate
to do so because of the prevailing
high prices of leather goods? You
will be interested in the great econ-
omy sale we are staging.

We were enabled to purchase genu-
ine black pigskin bags at a low
price because of slight irregularities
in the natural color of the skins,
which in no way impair their wear-
ing qualities. Our purchase means
another purchase—yours—and yours
the savings if you take advantage
of the event!

The wearing qualities of pigskin are
generally conceded—they need no
eulogy! When genuine pigskin is
sold at a lower price than inferior
grade leathers, the economy is ap-
parent. Investigate!

If you look at these bags you'll buy one—and you'll be glad you did!

Sale begins Tuesday at 9 A. M.

bias fold of satin. The uncut
silk fringe in wide bands is
bordered with the folds of satin
and it also trims the tunic
